Large Tables & Split Bills

We try to be as accommodating as possible...with everything but,
Large table/parties must arrange how payment is to be made between themselves before settling the bill. We cannot accept part payment for individual items, i.e.
"I had this and drank that" Something always gets missed.
Ideally if it's an equal split, i.e. the bill is split equally between however many guests are in the group, this can be accommodated.
Please be patient & understanding to your servers – they are trying their hardest!
